# 2007 Tribal Nations Children's Environmental Health Summit

August 22-23, 2007  
Denver, Colorado

Space is limited so please register early!

<http://epa.gov/region8/humanhealth/children/2007summit.html>

Sponsored by:

U.S. Environmental Protection Agency and the Pediatric Environmental Health Specialty Units for Regions 6 (AR, LA, NM, OK, & TX), 8 (CO, MT, ND, SD, UT, and WY), and 10 (AK, ID, OR, and WA)

In Partnership with:

Agency for Toxic Substances and Disease Registry (ATSDR) and the Indian Health Service (IHS)

✳ Learn about the impact and effects of asthma, second hand smoke, drinking water, wastewater, fish/shellfish contamination, childhood lead, pesticides, and methamphetamine in the Tribal Nations; additional topics will include healthy pregnancy and school environments.

✳ Limited travel support is available for Tribal representatives located within EPA Regions 6, 8 & 10. Visit the website for scholarship application instructions.

✳ Continuing Education Credits will be offered.

✳ Register early for the limited spaces.

✳ Summit registration fee is \$95, which will cover conference supplies and meals/snacks.

✳ For more information contact:
